Information Sought – Poached South Mountain Bull Elk

September 22, 2011

Salt Lake County -

Conservation officers with the Utah Division of Wildlife Resources are seeking information in the poaching of a bull elk in the South Mountain area of Salt Lake County. The animal is believed to have been killed on or about September 19, 2011. The animal was shot and left to rot, with only the head being removed.

Individuals with information regarding the violation are encouraged to contact the UTiP Hotline at 800-662-3337. A reward is being offered for information that leads to the arrest and conviction of those responsible. Requests for confidentiality are honored.

This bull elk was shot and left in the South Mountain area of Salt Lake County in mid-September. Individuals with information concerning those, or any other wildlife violations are encouraged to contact the UTIP Hotline at 800-662-3337
